**RECEIVER'S TWENTY-SIXTH INTERIM OMNIBUS APPLICATION
FOR ALLOWANCE AND PAYMENT OF PROFESSIONALS' FEES AND
EXPENSES FOR APRIL 1, 2026 - JUNE 30, 2026¹**

Mark A. Kornfeld, Esq., in his capacity as court-appointed Receiver (the "Receiver") for Defendant, Kinetic Investment Group, LLC, and Relief Defendants, Kinetic Funds I, LLC, KCL Services, LLC d/b/a Lendacy, Scipio, LLC, LF 42, LLC, El Morro Financial Group, LLC, and KIH Inc., f/k/a Kinetic International, LLC (collectively, the "Receivership Defendants"), moves this Court for the entry of an order awarding fees and costs to the Receiver and his professionals whose retention has been approved by the Court. *See* Docs. 41-43, 47, 154, 207.

¹ *See* Order Appointing Receiver (Doc. 34 at ¶ 54).

This motion covers all fees and costs incurred from **April 1, 2026**, through **June 30, 2026** (the “Reporting Period”). The Securities and Exchange Commission’s (the “SEC” or the “Commission”) Standardized Fund Accounting Report (“SFAR”) for this period is attached hereto as **Exhibit 1**. The Commission does not oppose this Motion, and Defendant Williams does not take a position on the Motion. In support thereof, the Receiver states as follows:

I. Preliminary Statement²

The Receiver seeks Court approval to pay the total amount of **\$27,106.55** for the professional services and expenses incurred during this Reporting Period. This Application includes time billed for the three-month period from **April 1, 2026**, through **June 30, 2026** (the “Reporting Period.”) The professionals who seek payment hereunder have made various accommodations given the public interest nature of this appointment, including providing a discount to their normal rates, agreeing to seek payment of fees on a quarterly basis, and not seeking payment for any time incurred prior to the Receiver’s appointment.

This is an extremely complex receivership involving the simultaneous operation of multiple sub-funds in a hedge fund structure, a purportedly independent-yet-intertwined and lending platform, and the use of investor funds to purchase real estate and fund the operation of no less than three companies in Puerto Rico.

² Neither the Receiver nor his attorneys charged for the time spent preparing this motion.

II. Executive Summary Activities for Reporting Period

a. Communicated with Claimant Investors regarding Distribution of Assets and Timeline of Receivership Distribution of Funds

The Receiver and his staff continue to communicate regularly with claimant investors regarding the Receivership process and distribution timeline. The Receiver and his staff responded to phone calls and written communications from Kinetic Funds investors and continued to provide updates and announcements on the informational website at www.kineticreceivership.com for investors and other interested parties.

b. Managed Receiver's Cash Accounts Held at ServisFirst Bank

Receivership funds are currently being held at ServisFirst Bank. As of the date of this Report, the Receiver has (i) secured, frozen, marshaled, and liquidated assets for the benefit of victim that resulted in the deposit of **approximately \$20 million** in the Receiver's fiduciary bank accounts during the Receiver's appointment; (ii) secured significant real property assets and completed the process of marketing and liquidating those assets which resulted in additional (seven figures) proceeds deposited to the Receivership Estate; (iii) made an initial distribution of **\$13.2 million** to Investor Claimants with approved claims; (iv) made a second distribution of **\$3.5 million** to Investor Claimants with approved claims; and (v) made a third distribution of **approximately \$1.4 million** to Investor Claimants.

The over **\$20 million** recovered for the benefit of victims is the result of the following actions:

- March 6, 2020: Froze approximately **\$7.6 million** in Receivership bank accounts located at BMO Harris Bank;
- March 20, 2020: Liquidated securities located in Kinetic Funds sub-accounts at Interactive Brokers. After satisfying the account margin obligations, approximately **\$5.5 million** was transferred to the Receiver's bank accounts on January 7, 2021;
- June 25, 2020: Liquidated gold coins held by Kinetic Funds for total proceeds of **\$223,877.75** which were deposited into the Receiver's bank accounts;
- November 10, 2020: Received nearly **\$3.5 million from** two Kinetic Funds investors as part of a settlement that ultimately offset roughly \$8 million of the approximately \$12 million in margin obligations in Kinetic Funds' Interactive Brokers' sub-accounts;
- May 11, 2021: Received approximately **\$4.0 million** in net sales proceeds from the sale of the commercial building property located at 152 Tetuan Street, San Jan, Puerto Rico 00901;
- Through September 30, 2021, the Receiver and his retained legal, accounting, tax, and technology professionals have been paid approximately **\$1,250,000** in fees and expenses for their services; and
- January 13, 2023: Received a net recovery—after payment of commissions and other standard closing costs—of **\$1,606,053.00** for the sale of the Villa Gabriela property and associated parking spaces. (Docs. 301 and 303).
- Worked with Interactive Brokers exchange to monetize accounts held in Receivership entities names.
- Engaged with Puerto Rican counsel to address any corporate payments of Puerto Rican entities.

To date, the Receiver and his team have distributed **\$20,016,050.88** to claimant investors in four distributions. The Receiver and his team are working with claimants to ensure that all checks are negotiated for the fourth distribution. At present, due to the stay of the litigation, the Receiver is waiting on making any further distributions to investor claimants.

c. The Twenty Sixth Interim Report

The Receiver prepared and filed the Twenty Sixth Interim Report on July 29, 2026 (Doc. 381), which provided a comprehensive summary of the Receiver's work for Q2 of 2026. All Reports are available on the Receiver's website at www.kineticreceivership.com. The Receiver incorporates the Twenty Sixth Interim Report into this Application and attaches a true and correct copy as **Ex. 2**.

III. Background

On February 20, 2020, the Commission filed a complaint (Doc. 1) (the "Complaint") in the United States District Court for the Middle District of Florida (the "Court") against the Defendants Kinetic Investment Group, LLC and Michael S. Williams and Relief Defendants Kinetic Funds I, LLC, KCL Services, LLC d/b/a Lendacy, Scipio, LLC, LF 42, LLC, El Morro Financial Group, LLC, and KIH Inc., f/k/a Kinetic International, LLC, alleging that the Defendants violated the Securities Act of 1933, the Securities Exchange Act of 1934, and the Investment Advisers Act of 1940 by making false or materially misleading representations to investors and that over \$6 million of investor funds was misappropriated to fund other business ventures and pay for other unauthorized expenses. (Doc. 1).³

According to the Complaint, the scheme involved securities offerings made on behalf of Relief Defendant Kinetic Funds, a purported hedge fund with a sub-fund structure managed by Defendants Kinetic Investment Group, LLC ("Kinetic

Investment”) and Williams. Defendants represented to investors that the largest sub-fund, Kinetic Funds Yield (“KFYield”), invested all of its assets in income-producing U.S. listed financial products hedged by listed options. *Id.* ¶ 2. Potential investors were told that KFYield was a liquid investment that would “maintain 90% principle [sic] protection” and that an investor could redeem their principal investment “100%...without penalties” with a 30-day written notice. *Id.* ¶¶ 2, 28.

Investors in the KFYield fund, which attracted the near-entirety of investor funds, were also often provided with documentation from Bloomberg’s reporting service containing claims about KFYield’s performance including that the fund had achieved positive annual returns every year since inception. Many, but not all, KFYield investors were also attracted to the investment opportunity given the advertised ability to simultaneously obtain a low-interest loan at the time of their investment from Relief Defendant KCL Services d/b/a Lendacy (“Lendacy”) based on the amount of their KFYield investment. Investors understood that Lendacy utilized its own private funding source to make the low-interest loans.

On March 6, 2020, the Court granted the Commission’s Motion for Appointment of Receiver and entered an Order appointing Mark A. Kornfeld as the Receiver over Defendant Kinetic Investment Group, LLC and the Relief Defendants (“Order Appointing Receiver”). (Doc. 34). The Receiver’s preliminary investigation has uncovered evidence supporting the Commission’s allegations that Defendants made a number of misrepresentations relating to the promised and actual use of investor funds and the performance of the Kinetic Funds portfolios. The Receiver’s

preliminary forensic accounting also shows that at least \$6 million of investor funds were either misappropriated or otherwise diverted to other projects and expenses unrelated to the Kinetic Funds investment opportunity.

A mediation was held on August 28, 2020, but resulted in an impasse. (Doc. 132). Both the Commission and Mr. Williams have filed motions for summary judgment which remain *sub judice*. On July 21, 2021, the Court granted the Commission's request to postpone the trial pending resolution of the pending case-dispositive motions. (Doc. 257).

IV. Professional Services

Pursuant to the Order Appointing Receiver, the Receiver obtained approval to engage various Retained Personnel to assist him in carrying out his duties and responsibilities in the Order Appointing Receiver. The Order Appointing Receiver further set forth the frequency and procedures pursuant to which the Receiver was to seek compensation and expense reimbursement for the Receiver and his Retained Professionals. (Doc. 34 ¶¶ 53-54). In accordance with the Commission's Billing Instructions, the Receiver states as follows:

- (a) **Time period covered by the Application:** April 1, 2026 – June 30, 2026.
- (b) **Date of Receiver's appointment:** March 6, 2020.
- (c) **Date services commenced:** February 14, 2020.⁴

⁴ As further described in the Receiver's First Omnibus Fee Application, the Receiver and his professionals began undertaking efforts in the weeks prior to his appointment to prepare for the possibility of the Order Appointing Receiver being entered at or following the hearing on March 6, 2020, but neither the Receiver nor his Professionals sought reimbursement of those fees or expenses.

(d) **Names and rates of all professionals:** See Exs. 5-6.

V. Case Status

(a) **Cash on hand**

As of the date of this filing, the total balance of the Receivership accounts totaled **\$527,405.64.**⁵

(b) Summary of the administration of the case

Since his appointment on March 6, 2020, the Receiver has administered the case with the objective of efficiently fulfilling his duties under the Order Appointing Receiver while doing so as cost-effectively as possible by, wherever available, leveraging the use of professionals with favorable rate structures.

During this Reporting Period, the Receiver has focused on (i) continuing his investigation of the underlying business operations of the various Receivership Entities, (ii) enhancing and preserving the value of Receivership assets, including exploring potential third-party claims and serving demand letters on third parties, (iii) investigating potential avenues to recover additional assets, and (iv) continuing to implement a Court-approved claims process that included making distributions to claimants.

(c) Summary of creditor claims proceedings

The Receiver, along with his Retained Professionals, undertook significant efforts to understand the relationship between the Receivership Entities and current and former investors in order to determine the most equitable framework for a Court-

⁵ This balance includes approximately \$108,848.19 in funds previously held in Mr. Williams' prior counsel's trust account and which were subsequently transferred to the Receiver's fiduciary accounts to be held in trust pending further Order from the Court. In the interim, the Court has authorized the payment of various living and legal expenses to or for Mr. Williams' benefit.

approved claims process to return investor funds. Complicating this analysis was the fact that many of the current and former investors in Kinetic Funds also obtained a loan (or loans) from Receivership Entity Lendacy, which required the Receiver and his forensic professionals to conduct a full forensic analysis of the flow of funds between investors and all Receivership Entities over a seven-year period based on available financial records.

Following the Court's approval of the Receiver's Amended Motion to Establish and Approve (i) Procedure to Administer and Determine Claims; (ii) Proof of Claim Form; and (iii) Claims Bar Date and Notice Procedures (Doc. 155), the Receiver mailed out over 100 proof of claim packets to potential claimants and creditors on November 17, 2020, published notification of the claim bar date of **February 15, 2021** in specified newspapers and his website, and filed his Notice of Publication and Claim Bar Date. (Doc. 165). The Receiver ultimately received 37 proof of claim packets.

On June 18, 2021, the Receiver filed his Claims Approval Motion in which he requested the Court's approval of his determinations of the approval and priority of the submitted claims as well as a plan for distribution. The Court entered an Order granting the Claims Approval Motion on July 21, 2021. (Doc. 256). After the passage of time to implement the Objection Procedure, the Receiver filed his Unopposed Motion to Approve First Interim Distribution (the "Distribution Motion") on September 3, 2021 in which he requested Court approval to make an initial interim distribution to eligible Investor Claimants consisting of 40% of each

Investor Claimant's approved claim. (Doc. 263). On October 29, 2021, the Court entered an Order granting the Distribution Motion, and the Receiver mailed out the approved distribution checks totaling \$13,216,050.91 to Investor Claimants.

On September 15, 2022, the Receiver filed his Unopposed Motion to Approve Second Interim Distribution, in which the Receiver requested approval to distribute \$3,500,000.02 as set forth in Exhibit A to the Motion. This distribution represented a recovery of \$10.6% of the Total Allowed Amounts of Investor Claims all of which was paid to investor claimants in the 2023 First Quarter. On January 20, 2023, the Receiver received Court approval for his Unopposed Motion to Approve Second Interim Distribution. (Doc. 304). All distribution checks related to the Second Interim Distribution have been received and cashed by the Claimants.

On August 4, 2023, the Receiver moved for Court approval to make a Third Interim Distribution of \$1,399,999.97 to investors. (Doc. 313). On December 22, 2023, the Court granted the Receiver's unopposed Motion for Third Interim Distribution. After receiving approval, the Receiver and his team promptly issued checks to the investor claimants for the Third Interim Distribution and addressed any check and/or investor issues with the distribution. As of March 18, 2024, every Investor Claimant had cashed his or her check for the Third Interim Distribution.

On May 7, 2025, the Receiver requested formal Court approval to distribute \$1,899,999.98 to investor claimants in a Fourth Interim Distribution. The request was unopposed by the parties in this Receivership. On May 12, 2025, the Receiver received an Order from the Court granting the requested relief. Promptly, the Receiver sent out

all 30 claims checks to investor claimants. The Receiver and his team have worked diligently with investors to field issues related to negotiating and cashing their Fourth Distribution checks. At present, only one investor has not negotiated his check for the Fourth Distribution. The Receiver has been working with this investor to re-issue the check to get the distribution closed out.

To date, the Receiver has returned a total amount of **\$20,016,050.88** to Claimant Investors in this Receivership. Receiver anticipates a final distribution will dispense all remaining funds at the end of the Receivership.

(d) Description of assets

In addition to the descriptions provided herein, for detailed information about the assets of the receivership estate, including the anticipated or proposed disposition of the assets, the Receiver respectfully refers the Court and interested parties to the Twenty First Interim Report, attached hereto as **Exhibit 2**.

VI. Services Provided and Compensation Sought by the Professionals

(a) Services provided by Receiver (Fox Rothschild) and Receiver's Staff Counsel (Buchanan Ingersoll & Rooney PC)

Previously, the Receiver served as a Shareholder at the law firm of Buchanan Ingersoll & Rooney PC ("Buchanan Ingersoll"). In October of 2025, the Receiver transitioned his practice to Fox Rothschild, located at One Sarasota Tower 2 North Tamiami Trail, Suite #400, Sarasota, Florida, 34236. The Receiver's staff counsel, Lauren V. Humphries, Esq., has continued her practice as a Shareholder at Buchanan Ingersoll. The Receiver initially obtained Court approval to retain the services of

Quarles & Brady, LLP (“Quarles & Brady”) to serve as his legal counsel. As an accommodation to the Receiver and the public interest nature of this matter, Quarles & Brady agreed to reduce the billing rate of its professionals for this case as provided in the Fee Schedule attached hereto as **Exhibit 5(a)** which was, on average, more than 20% (and in some instances, closer to 30%) less than the customary rate charged to clients. To date, those discounts resulted in a total reduction of well over \$100,000 from the rates customarily charged by Quarles & Brady attorneys to clients.

As of December 9, 2020, the Court approved the retention of Buchanan Ingersoll (Doc. 159), including Buchanan Ingersoll’s agreement to continue the reduced existing billing rate of the Receiver and his professionals. To date, these discounts have also resulted in a total reduction of well over \$200,000 from the rates customarily charged by Buchanan Ingersoll attorneys to clients.

The standard hourly rate which the Receiver charges other clients is \$835. The Receiver agreed that for purposes of his appointment as the Receiver, his hourly rate would be reduced and remain fixed year over year to \$437.50 per hour, representing approximately a thirty percent (30%) discount from his 2020 standard rate—and almost a 50% discount off his 2023 standard rate. This initial rate was set forth in the Commission’s Motion to Appoint Receiver, which the Court granted on March 6, 2020. (Doc. 34). During the time covered by this motion, the Receiver billed 14.0 hours in legal services on this Receivership. The total amount for the Receiver’s legal services and costs for Quarter 2 of 2026 totals **\$6,125.80**.

The Receiver's staff also performed legal services on behalf of the Receivership during the Reporting Period. The work performed by Buchanan Ingersoll has been focused on many different tasks including investigating the alleged fraud and related activities underlying this matter; locating, taking control and monetizing of Receivership assets; investigating and pursuing additional assets for the Receivership; coordinating the framework and procedures for a Court-approved claims process as detailed in the Interim Report, and overseeing all legal and administrative issues for distributing millions to claimants. Counsel for Buchanan Ingersoll billed 68.30 hours in legal services to the Receivership but only seeks compensation for 62.40 hours in legal services, totaling **\$18,408.00** and **\$397.50** in expenses. The total for legal services and expenses for Receiver for the Reporting Period is **\$18,805.50** (Receiver's Staff Counsel) and **\$6,125.80**. (Receiver), Total of **\$24,931.30**. The statement summarizing the services rendered by the Receiver and Receiver's staff counsel are attached as **Exhibits 5(a)** and **6(a)**.

(b) Services provided by PDR CPAs + Advisors

The Receiver obtained Court approval to retain the services of PDR CPAs + Advisors ("PDR") to handle tax-related issues for the Receivership Entities. (Doc. 47). This includes the preparation of any required tax-related documents as well as analyzing previous tax documents to assist the Receiver in performing his duties. PDR's principal, Bill Price, routinely provides tax and accounting services in receivership matters. During the period covered by this Application, PDR billed

12.35 hours in assisting the Receiver in fulfilling his duties under the Order Appointing Receiver. For these services, the Receiver seeks professional fees and expenses in total, aggregate sum of **\$2,175.25** as set forth in the invoices attached as **Exhibit 6(b)**. The Receiver requests that the Court award PDR fees for professional services rendered from **April 1, 2026**, through **June 30, 2026**, in the amount of **\$2,175.25**. The statement summarizing the services rendered by PDR is attached as **Exhibit 6(b)**.

(c) Services provided by RAD Technology Consulting, LLC

The Receiver obtained Court approval to retain the services of RAD Technology Consulting, LLC (“RAD Consulting”) to provide website services for the Receivership. RAD Consulting is a concierge technology company that provides web development solutions and manages hosting services. The services provided are primarily domain name management, DNS hosting, web development, site content maintenance, and hosting. RAD Consulting charges \$100 per month for its website hosting services. If hourly service is needed, principal Ron During charges \$150 an hour for his service. Prior to engaging RAD Consulting, the Receiver used K.Tek for website services. Because K. Tek is no longer in service, the Receiver moved the website to RAD Consulting.

During the period covered by this Application, RAD Consulting incurred expenses of \$397.50 for the Receivership. Part of the expenses of RAD’s work during the Application Period included updates to the Domain Hosting for the Receivership

website. To facilitate ease of payment, the expense amounts for RAD Consulting are reflected on Buchanan's Invoices under expenses. In this Application, the Receiver seeks expenses in the total, aggregate sum of **\$397.50** as set forth in the invoices attached as **Exhibit 6(c)**. The Receiver requests that the Court award RAD fees for professional services rendered from April 1, 2026, through June 30, 2026, in the amount of **\$397.50**.

I. MEMORANDUM OF LAW

A receiver appointed by a court who reasonably and diligently discharges his duties is entitled to be fairly compensated for services rendered and expenses incurred. *See SEC v. Elliott*, 953 F.2d 1560 (11th Cir. 1992) (“[I]f a receiver reasonably and diligently discharges his duties, he is entitled to compensation.”); *Donovan v. Robbins*, 588 F. Supp. 1268, 1272 (N.D. Ill. 1984) (“[T]he receiver diligently and successfully discharged the responsibilities placed upon him by the Court and is entitled to reasonable compensation for his efforts.”); *SEC v. Custable*, 1995 WL 117935 (N.D. Ill. Mar. 15, 1995) (receiver is entitled to fees where work was of high quality and fees were reasonable); *SEC v. Mobley*, 2000 WL 1702024 (S.D.N.Y. Nov. 13, 2000) (court awarded reasonable fees for the receiver and his professionals). In determining reasonable compensation for the services rendered by the Receiver and his Professionals, the Court should consider the circumstances surrounding the receivership. *See Elliot*, 953 F.2d at 1577.

In addition to fees, the receiver is “also entitled to be reimbursed for the actual and necessary expenses” that the receiver “incurred in the performance of [its] duties.” *Fed. Trade Comm'n v. Direct Benefits Grp., LLC*, 2013 WL 6408379, at *3 (M.D. Fla. 2013). The Receiver and his Professionals support their claims for reimbursement of expenses with “sufficient information for the Court to determine that the expenses are actual and necessary costs of preserving the estate.” *SEC v. Kirkland*, 2007 WL 470417, at *2 (M.D. Fla. 2007) (citing *In re Se. Banking Corp.*, 314 B.R. 250, 271 (Bankr. S.D. Fla. 2004)).

Here, because of the nature of this case, it was necessary for the Receiver to employ attorneys, accountants, and professionals experienced and familiar with financial frauds, federal receiverships, securities laws, banking, finance, and trusts and estates. Further, in order to perform the services required and achieve the results obtained to date, the skills and experience of the Receiver and the Professionals in the areas of fraud, securities, computer and accounting forensics, and financial transactions were indispensable.

The Receiver and his legal, forensic, and information technology professionals have each discounted their normal and customary rates as an accommodation to the Receivership and to conserve Receivership assets. The rates charged by the attorneys and paralegals are at or below those charged by attorneys and paralegals of comparable skill from other law firms in the Middle District of Florida. This case has been time-intensive for the Receiver and his Professionals because of the need to resolve many issues rapidly and efficiently. The attached Exhibits detail the time,

nature and extent of the professional services rendered by the Receiver and his Professionals for the benefit of investors, creditors, and other interested parties. The Receiver anticipates that additional funds will be obtained through the Receiver's negotiations or litigation with third parties.

The Receiver is sensitive to the need to conserve the Receivership Entities' assets and respectfully submits that the fees and costs expended to date were reasonable, necessary, and benefited the Receivership. Notably, the Commission has no objection to the relief sought in this motion. *Custable*, 1995 WL 117395, *7 ("In securities law receiverships, the position of the SEC in regard to the awarding of fees will be given great weight.")

CONCLUSION

Under the terms and conditions of the Order Appointing Receiver, the Receiver, among other things, is authorized, empowered, and directed to engage professionals to assist him in carrying out his duties and obligations. The Order further provides that he apply to the Court for authority to pay himself and his Professionals for services rendered and costs incurred. In exercising his duties, the Receiver has determined that the services rendered and their attendant fees and costs were reasonable, necessary, advisable, and in the best interest of the Receivership.

WHEREFORE, Mark A. Kornfeld, the Court-appointed Receiver, respectfully requests that this Court award the following sums and direct that payment be made from the Receivership assets:

Mark A. Kornfeld, Esq. and Buchanan Ingersoll	\$24,931.30
PDR CPAs + Advisors	\$2,175.25
RAD Consulting	\$397.50⁶
TOTAL:	<u>\$27,106.55</u>

A proposed Order is attached as **Exhibit 7**.

WHEREFORE, the Receiver seeks entry of an Order granting this motion and awarding the Receiver and his professionals their interim fees, reimbursement of costs, and for such other relief that is just and proper.

LOCAL RULE 3.01(g) CERTIFICATION

Pursuant to Local Rule 3.01(g), the Receiver hereby certifies that he has conferred with counsel for Plaintiff, Securities and Exchange Commission, which does not oppose the requested relief. The Receiver has also conferred with counsel for Defendant Michael S. Williams, who takes no position on the requested relief.

Respectfully submitted,

Lauren V. Humphries, Esq. (FBN 117517)

RECEIVER'S TWENTY SIXTH INTERIM REPORT

(Reporting Period: April 1, 2026 to June 30, 2026)

Mark A. Kornfeld, Esq., in his capacity as the court-appointed Receiver (the "Receiver") for Kinetic Investment Group, LLC ("KIG"), Kinetic Funds I, LLC ("Kinetic Funds"), KCL Services, LLC d/b/a Lendacy ("Lendacy"), Scipio, LLC ("Scipio"), LF 42, LLC ("LF42"), El Morro Financial Group, LLC ("El Morro"), and KIH Inc., f/k/a Kinetic International, LLC ("Kinetic International") (collectively, the "Receivership Defendants"), respectfully files his Twenty Sixth Interim Report (the "Twenty Sixth Report") covering information and activity occurring from April 1, 2026 to June 30, 2026. In addition to providing notice of the

receivership to all known investors shortly after his appointment, the Receiver has also established an informational website at www.kineticreceivership.com, which is regularly updated with important court filings (including previous and subsequent Interim Reports), announcements, and other news that might be relevant to interested parties.

During the time period covered by this Twenty Sixth Report (April 1, 2026 to June 30, 2026), the Receiver and his team of legal, technology, tax, and accounting professionals (collectively, the “Retained Professionals”) have engaged in significant activities regarding the Receivership Estate, which are discussed more thoroughly in the forthcoming report.

I. EXECUTIVE SUMMARY OF REPORTING PERIOD

A. Significant Activities Occurring During this Reporting Period

1. Facilitated 2026 Wind Down of Receivership

During the Reporting Period, the Receiver and his staff professionals continued their action to position the Receivership to wind down. As previously reported, while the Receiver had planned on a 2025 wind down, various factors contributed to the decision to close this Receivership in 2026. At present, the Receiver is addressing several issues with funds held in the Receiver's accounts for the benefit of Defendant Williams and whether those funds will be added to the estate to be administered by the Receiver and Receiver's counsel.

2. Prepared for Future Distribution to Investor Claimants.

The Receiver has sent out four distributions of funds to investor claimants in this Receivership. At present, the Receiver and his staff counsel are preparing to distribute a Fifth distribution to investor claimants. While the Receiver plans to close the Receivership in this calendar year, the Receiver does not want to wait to distribute funds available to the investor claimants. The exact amount of the distribution is being determined by the Receiver and his counsel.

3. Attention to all Tax Matters for Receivership Entities

All of the Receivership assets have been monetized to date. The Receiver and his professionals expended time and necessary resources to fully analyze the state of the Receivership's tax and related obligations in connection to the funds brought

into the Receivership Estate from the sale of real property. This analysis included coordinating with a number of tax professionals and consultants to ensure that any capital gains of the Receivership were recognized and reported for both Puerto Rico and U.S. IRS tax returns. The Receiver has continued to work diligently with his professionals, both in Florida and Puerto Rico, to ensure that all tax matters are addressed prior to the wind-down of the Receivership, which the Receiver anticipates will occur during the 2026 calendar year.

4. Preparation of the Twenty-Fifth Interim Report

The Receiver filed his Twenty-Fifth Interim Report on April 30, 2026 (Doc. 376), which provided a comprehensive summary, analysis, and supporting documentation of the Receiver's continuing investigation as well as the tracing of investor funds. The Receiver is hopeful that the next interim report will be the last report before the final reporting of this Receivership.

5. Communication with Investors

The Receiver's staff professionals and counsel continued to communicate regularly with investors via phone and through email correspondence. Additionally, the Receiver continues to provide updates and announcements on the informational website at www.kineticreceivership.com for investors and other interested parties. The Receiver continues to work with the Receivership's website hosting platform, RAD Technology Consulting, for updates to the website.

6. Continued Investigation and Review of Relevant Documentation and Information regarding the Receivership Entities

The Receiver and his professionals continued their investigation of the business operations of the various Receivership Entities. This included identifying, obtaining, and reviewing relevant documentation and information from the Receivership Entities' offices and interviewing various individuals.

7. Attended to Litigation Matters.

The Receiver continued to monitor the Court's docket for filings in this litigation. Since the final relief was entered by the Court against all defendants, the Receiver anticipates that his team of professionals can formally begin the dissolution of the Receivership and its entities.

8. Managed Receiver's Cash Accounts Held at ServisFirst Bank.

Receivership funds are currently being held at ServisFirst Bank. As of the date of this Report, the Receiver has (i) secured, frozen, marshaled, and liquidated assets for the benefit of victims that resulted in the deposit of **approximately \$20 million**¹ in the Receiver's fiduciary bank accounts during the Receiver's appointment; (ii) secured significant real property assets and completed the process of marketing and liquidating those assets which resulted in excess of \$5

¹ This amount includes approximately \$108,778.88 in funds previously held in Mr. Williams' prior counsel's trust account and which were subsequently transferred to the Receiver's fiduciary accounts to be held in trust pending further Order from the Court. In the interim, the Court has authorized the payment of various living and legal expenses to or for Mr. Williams' benefit.

million in additional proceeds deposited with the Receivership Estate; (iii) made an initial distribution of **\$13.2 million** to Investor Claimants with approved claims; and (iv) made a second distribution of **\$3.5 million** to Investor Claimants with approved claims.

The over **\$20 million** recovered for the benefit of claimants is the result of the following (including without limitation):

- March 6, 2020: Froze approximately **\$7.6 million** in Receivership bank accounts located at BMO Harris Bank;
- March 20, 2020: Liquidated securities located in Kinetic Funds sub-accounts at Interactive Brokers. After satisfying the account margin obligations, approximately **\$5.5 million** was transferred to the Receiver's bank accounts on January 7, 2021;
- June 25, 2020: Liquidated gold coins held by Kinetic Funds for total proceeds of **\$223,877.75** which were deposited into the Receiver's bank accounts;
- November 10, 2020: Received nearly **\$3.5 million from** two Kinetic Funds investors as part of a settlement that ultimately offset roughly \$8 million of the approximately \$12 million in margin obligations in Kinetic Funds' Interactive Brokers' sub-accounts;
- May 11, 2021: Received approximately **\$4.0 million** in net sales proceeds from the sale of the property located at 152 Tetuan Street, San Jan, Puerto Rico 00901; and
- January 13, 2023: Received a net recovery—after payment of commissions and other standard closing costs—of **\$1,606,053.00** for the sale of the Villa Gabriela property and associated parking spaces. (Docs. 301 and 303).
- The Receiver also worked with Interactive Brokers to recover and monetize accounts in the name of the Receivership Entities.

As of the date of this filing, the Receiver's accounts currently have **\$527,237.83**.

II. BACKGROUND

A. Procedure and Chronology

On February 20, 2020, the Securities & Exchange Commission (the "Commission") filed a complaint (the "Complaint") (Doc. 1) in the United States District Court for the Middle District of Florida (the "Court") against Defendants and Relief Defendants alleging that Defendants violated the Securities Act of 1933, the Securities Exchange Act of 1934, and the Investment Advisers Act of 1940 by making false or materially misleading representations to investors and that over \$6 million of investor funds was misappropriated to fund other business ventures and pay for other unauthorized expenses. Doc. 1 ¶¶4, 28-38.

The Complaint alleged that the scheme involved securities offerings made on behalf of Kinetic Funds, a purported hedge fund with a sub-fund structure managed by Kinetic Investment Group and Defendant Williams. *Id.* ¶ 2. Defendants represented to investors that the largest sub-fund, KFYield, invested all of its assets in income-producing U.S. listed financial products hedged by listed options. *Id.* Potential investors were told that KFYield was a liquid investment that would "maintain 90% principle [sic] protection" and that an investor could redeem their principal investment "100% . . . without penalties" with a 30-day written notice. *Id.* ¶¶ 2, 28.

Investors in the KFYield fund, which attracted the near-entirety of investor

funds entrusted to Kinetic Funds, were routinely provided with documentation from Bloomberg's reporting service that claimed KFYield had achieved positive annual returns every year since inception. *Id.* ¶ 24. Many, but not all, investors were also attracted to the Kinetic Funds investment opportunity by the advertised ability to obtain low-interest and unsecured loans from Lendacy based on their KFYield investment and with the understanding that 100% of their KFYield investment would continue earning dividends. *Id.* ¶ 28.

On March 6, 2020, the Court entered the Order Appointing Receiver. By separate Order, the Court also granted the Commission's Motion for Asset Freeze and granted other relief as to all Defendants (Doc. 33). Among other things, the Orders froze Defendants' assets and enjoined any further violations of federal securities laws.

On May 12, 2020, Defendant Williams filed his Answer and Affirmative Defenses to the Commission's Complaint in which he denied the Commission's substantive allegations and set forth 13 affirmative defenses (Doc. 56). On May 28, 2020, the Commission filed its Motion for Judgment of Permanent Injunction (Doc. 86) following the Receiver's execution of a Consent Judgment on behalf of the various Receivership Entities named in the Complaint, and the Court entered that Consent Judgment on November 5, 2020 (Doc. 156). The Commission and Defendant Williams mediated this case on August 28, 2020, which resulted in an

impasse (Doc. 132). Both the Commission and Defendant Williams have filed pending dispositive motions seeking judgment in their favor. (Docs. 200-202). On July 21, 2021, the Court granted the Commission's request to postpone the trial pending resolution of the pending case-dispositive motions. (Doc. 257).

On November 22, 2024, the Court entered a ruling on the Commission's Motion for Summary Judgment against Defendant Williams. Specifically, the Court granted the Commission's Summary Judgment Motion and issued a 110 page Order of its findings. After the filing of this Order, the Commission and Defendant Williams entered into a 90-day stay period to have an opportunity to confer on the remaining issues of injunctive and monetary relief sought by the Commission. On December 20, 2024, the Stay was formally entered by the Court and was scheduled to cease on April 23, 2025. However, on April 16, 2025, the Commission filed its Unopposed Motion for an Extension of Time to Move for Relief Against Defendant Michael Scott Williams. (See Doc. 346). On April 16, 2025, the Court granted the Commission's Motion and extended the stay period up until July 21, 2025. (See Doc. 347.) Given the ruling against Williams, the Receiver is currently taking steps to initiate a wind down of the Receivership Estate so that a final distribution may be approved for investor claimants.

B. The Receiver's Role and Responsibilities

As an independent agent of the Court, the Receiver's powers and responsibilities are set forth in the Order Appointing Receiver which provides, in

relevant part, that the Receiver:

- “[S]hall have all powers, authorities, rights and privileges heretofore possessed by the officers, directors, managers and general and limited partners of the Receivership Defendants under applicable state and federal law...” and “shall assume and control the operation of the Receivership Defendants and shall pursue and preserve all of their claims.” Doc. 34 ¶¶ 4-5;
- Shall “take custody, control, and possession of all Receivership Property and records relevant thereto from the Receivership Defendants...” and “manage, control, operate and maintain the Receivership Estates and hold in his possession, custody and control all Receivership Property pending further Order of this Court.” *Id.* ¶ 7(B);
- Is “authorized, empowered, and directed to investigate the manner in which the financial and business affairs of the Receivership Defendants were conducted and...to institute such actions and legal proceedings...as the Receiver deems necessary and appropriate...” *Id.* ¶ 37; and
- Is directed to “develop a plan for the fair, reasonable, and efficient recovery and liquidation of all remaining, recovered, and recoverable Receivership Property...and to “file and serve a full report and accounting of each Receivership Estate” for each calendar quarter. *Id.* ¶¶ 46, 48.

C. Receivership Defendants

The Receiver incorporates by reference the descriptions of the various Receivership Defendants and Other Relevant Non-Parties set forth in the First Report. (See Doc. 60 at pp. 12-16.)

D. The Next Quarter

1. Issue Distribution to Investor Claimants

On May 7, 2025, the Receiver requested formal Court approval to distribute \$1,899,999.98 to investor claimants. The request was unopposed by the parties in this Receivership. On May 12, 2025, the Receiver received an Order from the Court granting the requested relief. Promptly, the Receiver sent out all 30 claims checks to investor claimants. This distribution resulted in 5.8% recovery of the allowed amount of investor claims.

To date, the Receiver has provided **\$20,016,050.88** to investor claimants, which totals **60.6%** of the allowed amount of investor claims. As of the date of this filing, the total balance of the Receivership Servis First accounts totals **\$527,237.83**.

While the Receiver has remained hopeful to be in a position to close the Receivership during the first half of 2026, there are remaining issues that need to be addressed prior to closure. For this reason, the Receiver is moving forward with a Fifth Distribution that will be distributed in Q3 of 2026.

2. Position the Receivership for Closure

At present, the Receiver and his team are continuing to prepare, in all fashion, to position the Receivership to divest the Receivership Assets to the Claimant Investors in a final distribution. The Receiver and his team continue to work with their professionals on tax issues for Puerto Rican Receivership Entities and U.S. Entities in addition to handling any final corporate issues that need to be

address prior to the final distribution of funds. The Receiver and his team are prepared to issue a final distribution and wind down the Receivership in 2026.

III. CONCLUSION

The Receiver's foregoing efforts have positioned the Receivership for a 2026 wind-down and the Receiver and his team of professionals continue to work diligently toward that end. The Receiver will continue his efforts to distribute funds efficiently and effectively to investor claimants.
